## Consultations and filing of tax returns for April 2018-March 2019 Municipal & Prefectural Tax

• 平成30年度（平成29年  
分）市県民税申告相談日程

It is necessary to file a tax return for municipal and prefectural taxes in Higashihiroshima City if you had an address or residence in Higashihiroshima City as of January 1st, 2018, and you had some earnings during 2017. However, filing is not necessary for those who have filed a final income tax return (kakutei-shinkoku, 確定申告) to the Tax Office, those whose only income is their salary and where a year-end adjustment (nenmatsu-chosei, 年末調整) has been carried out at their workplace, and those whose only income is a pension and where there is no change to the deductions shown on their 'certificate of income and withholding of tax' (gensen-choshu-hyo, 源泉徴収票).

If you have income from a public pension of 4,000,000 yen per year or less and other income of 200,000 yen per year or less, you do not need to file a tax return, but if there are any changes to deductions relating to dependants or social insurance, etc., it is necessary to file a tax return for municipal and prefectural taxes.

Tax return forms will be sent out at the beginning of February to those who filed a tax return for municipal and prefectural taxes in 2017. If you need to file this tax return but you do not receive a form, please contact the Municipal Tax Division.

From last year, it has been necessary to write your My Number when filing a tax return. Also, when submitting the documents for a tax return, it is necessary to show your My Number document (your My Number card or notification card), and personal identification. Please do not forget to take these documents with you.

Consultations regarding the filing of municipal and prefectural tax returns for the upcoming 2018 financial year (April 2018-March 2019) are available between Friday February 16th and Thursday March 15th, 2018. On Friday February 16th, Monday February 19th, Monday March 5th and Thursday March 15th, consultations are available at the City Office (fourth floor). On other dates (weekdays from Tuesday February 20th to Wednesday March 14th), consultations are available at a number of locations in each of the areas of the city. For details, please see page 12 of the Japanese edition of the City Newsletter (February issue). At these consultations, simple tax returns can be accepted. However, it is necessary to include a copy of your My Number document, and a personal identification document.

Contact: Municipal Tax Division (Shimin-zei-ka, 市民税課), tel.: 082-420-0910.

### Declaration of income for those enrolled in National Health Insurance, etc.

• 国民健康保険等加入者の所得申告

People aged over 18 enrolled in the National Health Insurance scheme (kokumin kenko hoken, 国民健康保険) or in Senior Citizens' Health Insurance (koki koureisha iryo, 後期高齢者医療) must each individually file a declaration of their income, even if they have no income or if all of their income is exempt from tax (including if they are provided for by their family).

If even one member of a household has not declared their income, then even if the household is a low-income household, the household will not be able to receive reductions in National Health Insurance taxes or Senior Citizens' Health Insurance payments. In addition, the threshold for high-cost medical expenses which need to be covered by individuals will be raised for the household, and the household will become unable to receive reductions in the cost of food and treatment in medical facilities (shokuji ryoyo-hi, 食事療養費). Please ensure you declare your income. However, those in the following groups do not need to make a declaration of income:

- Those aged under 18 (as of January 1st, 2018).
- Those whose only income is from a wage or salary, and where a year-end adjustment (nenmatsu-chosei, 年末調整) has been carried out at their place of work.
- Those whose only income is from a public pension (a declaration may be necessary, depending on the type of pension).
- Those who will file an income tax declaration (shotokuzei no kakutei-shinkoku, 所得税の確定申告).
- Those who will file a declaration of municipal and prefectural tax (shikenminzei shinkoku, 市県民税申告).

The deadline for filing this declaration is Monday April 16th.

Those whose income is over 280,000 yen should file a tax return for municipal and prefectural Tax.

Paperwork for making a declaration of National Health Insurance tax or Senior Citizens' Health Insurance payments will be sent by post to those people who are judged to need to make such a declaration (based on previous income). Please inquire if these documents have not arrived by the middle of February.
