1. How to apply for and take the health check 健診の受け方

Group health checks 集団健診

Make a reservation (it is necessary to apply by postcard, or online.)

Decide the location where you wish to take the health check, and the checks you wish to undergo.

Applications must be received by the deadline for the location you choose!

Applying Online

Please follow the instructions shown on the separate paper accompanying this information.

Applying by Postcard:

Use the application postcard that you received with the health check vouchers. Fill in the postcard with the necessary information, and return it by post.

You can also apply by fax or in person.

Whichever method you use to apply, you will be sent a medical examination questionnaire (in a green envelope) from Higashihiroshima Kinen Byoin Health Check Center (the organization conducting the checks on behalf of Higashihiroshima City) **at least one week before the date of your health check.**

Health checks at medical facilities 医療機関健診

You do not need to apply by postcard.

Decide the medical facility where you wish to take the health check, and the checks you wish to undergo.

Make a reservation directly (by phone, in person, etc.) at the medical facility at which you wish to take the health check.

Applying for the **milestone periodontal disease check** (for those aged 20, 30, 40, 50, 60 or 70) follows the same procedures as above.

If your health check results show ‘treatment required’ or ‘detailed examination required’, please visit a medical institution as soon as possible.

※ 1 If you currently have symptoms that you are concerned about, please do not wait for the medical checkup, but visit a medical institution as soon as possible.

※2 Depending on your health check results, public health nurses and registered dietitians may visit you to provide health guidance, etc.

※3 Please be careful not to duplicate the same health check item at a group health check and a medical institution. The Genki Sukoyaka health check vouchers can be used only once during a financial year. **If you take the same health check item twice during the same financial year, you will be responsible for the full amount.**

※4 **Details of those eligible are based on data correct as of April 1st, 2024. We apologize if you have been sent this information by mistake.**

※5 Please note that personal information about the health check may be provided to medical institutions in

order that the results of the health check can be shared between the city and the medical organization conducting the health checks.

The Genki Sugoyaka health check is eligible for points for the 'Genki Kagayaki Point Scheme'. After the health check, please fill in the date on the corresponding page of the Genki Kagayaki points. After the handbook is collected, the city will check your health check status and give you points.

5. Re-issuance of Health Check Vouchers 受診券の再発行

If you lose your health check vouchers, they can be reissued.

Please come to the Medical Treatment and Health Division in person, or apply online, using the QR Code to the right. If you apply online, it will take about a week for the vouchers to reach you.

6. Group health checks 集団健診について

Some of the health check locations have an upper limit on their capacity. Those who can take the health check will be decided by lottery. Please note that if the number of applicants reaches the capacity, we may inform you of another date for your health check. If we change the medical examination date due to the capacity, a notice will be sent at least three weeks before the health check date.

The reception time will be shown in the health check documents you will be sent at least one week before the health check date. Please come at the reception time shown.

The health checks may be postponed or canceled due to the weather or the spread of infectious diseases. If you need special consideration regarding the time of your health check, please let us know at the time of reservation.

For group health checkups, each individual can only receive checks at one venue.

We recommend making a reservation online (you can specify the reception time for your health check!)

Reservations are accepted from Saturday June 1st, 2024 to Friday October 18th, 2024.

Search online for 'Higashihiroshima City Genki Sukoyaka Health Checks', or use the QR Code to the right to make a reservation for a group health check.

7. Canceling a group health check reservation, or changing the date 集団健診のキャンセル・日程変更等について

If you have applied online, you can cancel or change the date online.

However, you cannot cancel or change the date online after each application deadline, so please contact the city only when necessary as follows.

To cancel a health check item: There is **no need** to contact the city. If you are taking examinations other than the canceled health check item, please inform the reception at the health check location on the day of the health check items you wish to cancel.

To cancel the health check: There is **no need** to contact the city.

To add a health check item, to change the date of the health check, or to change the reception time for the health check: It is **necessary** to contact the city. Please contact the Medical Treatment and Health Division on 082-420-0936.

12. There are two ways to apply for a group health check 集団健診の申込方法は2通り

Please apply only once, either online, or by using the application postcard.

Applying online:

Scan the QR Code to the right, and follow the steps shown in the accompanying leaflet.

Applications can be accepted 24 hours a day, and you can specify the time when you wish to take the health check.

Applying using the application postcard:

Fill in the application postcard, and send it so that it arrives by the application deadline. Please note that when applying by postcard, the reception time for your health check will be specified by the Medical Treatment and Health Division.

Example of how to fill in the postcard:

The application postcards for group health checks are read by machine. In boxes where there are faint dotted lines, trace the lines to fill in your details as appropriate.

Please give a telephone number at which you can be easily reached during the daytime.

Tick one of the two boxes to indicate your acceptance/ non-acceptance of a tax status check. If you tick 'do not allow' (the right-hand box), you may not be able to receive exemption from the fees for the health check(s). (See question 5 of the frequently-asked questions.)

Write a circle to indicate the checks you wish to take. If there are checks that you cannot take, *** will be shown in the space.

Choose where and when you wish to take the check, and the checks you wish to take. Please check the schedule in chapter 3, and fill in the date and location code.

Points to note:

1. Please be careful not to apply for the same health check multiple times. Genki Sukoyaka Health Check vouchers can only be used once per financial year. If you take the same health check more than once, you will need to pay the whole cost of the check.
2. Please be sure to bring your health check vouchers and health insurance certificate when you take the health check(s).
3. Please do not cut the health check vouchers. Take them with you to the group health check or to the medical facility where you are to receive the health check.
4. If you join another form of health insurance part-way through the financial year, you will not be able to use health check voucher for the specific health check.
