Open Global Class

at Takamigaoka Elementary School

About the Global Class

The Global Class aims to foster growth in students who can thrive in a global society by:

- Developing communication skills through English.
- Deepening understanding of their own culture.
- Learning about the cultures and perspectives of other countries.
- Building the ability to live and work cooperatively with people from diverse backgrounds while respecting one another.

Features

►Subjects Taught Primarily in English

Grade 1: Music, Arts and Crafts, and Physical Education.

※From Grade 2 onwards, additional subjects will be gradually introduced.

►Teaching Method

Classes will be conducted collaboratively by Japanese teachers and Assistant Language Teachers (ALTs).

To support understanding in English, visual aids such as pictures and real objects will be used. For students who need support with Japanese, the school will provide individualized Japanese language instruction based on each student's Japanese language proficiency and learning needs.

►Students who:

- Reside in Higashihiroshima City who will enter the first grade of elementary school in the 2027 academic year.
- Wish to enroll in the Global Class.

※Applications are accepted from both within and outside the Takamigaoka Elementary School attendance area. Parents or guardians of children living outside the attendance area are responsible for transportation to and from school.

*Information sessions and trial lessons will be offered in the future.
Details about the Global Class are available through the QR code
provided in the flyer.*
