Confirmation Items for Applicants to the Global Class

Takamigaoka Elementary School, Higashihiroshima City

Overview of Takamigaoka Elementary School

Since its establishment in 1992, Takamigaoka Elementary School has promoted education that values challenge and creativity under its school motto, "A School Where Students Look Forward to Tomorrow" The school actively fosters collaboration among the school, families, and the local community. In addition, it works closely with Takamigaoka Junior High School to provide a coherent and continuous educational experience across the nine years of compulsory education.

Objectives of the Global Class

The Global Class seeks to develop students' ability to communicate in English while fostering a deeper understanding of their own culture and an appreciation for the diverse cultures and perspectives of other countries. Through this process, students are encouraged to respect and learn from one another and to develop the ability to live and work cooperatively in a diverse society. The program also seeks to foster children who can express their own ideas, understand the perspectives of others, and actively contribute to society in the future.

【 Expectations for Students 】

Students enrolled in the Global Class are expected to:

- Respect diverse ideas and values and work cooperatively with their classmates in learning and school life.
- Follow the school rules and expectations of Takamigaoka Elementary School.
- Engage in regular study at home to reinforce and consolidate their learning.

【 Expectations for Parents/Guardians 】

Parents/guardians are expected to:

- Actively participate in PTA activities, community events, and school functions.
- Pay all required grade-level fees, including instructional and material fees.
- Cooperate with other parents/guardians to help ensure the safety of students during their commute to and from school.
- Understand that, for students commuting from outside the school attendance area, regular home visits may not be feasible; therefore, communication and consultation with families will generally take place at the school.
- Understand the importance of home study and provide appropriate support for learning at home.
